

## ERRATUM

**Erratum to “Facile microwave synthesis of a novel  
phenothiazine derivative  
and its cytotoxic activity” [Org. Commun. 13:4 (2020) 175-183]****Cenk A. Andac** 

Department of Medical Pharmacology, School of Medicine, Ankara Yıldırım Beyazıt University, 06800,  
Ankara, Türkiye

It was wrongly indicated in the Acknowledgement section that a Turkish patent was received for 3-(2-methylthio10H-phenothiazine-10-yl-propyl)-pyrimidine-2,4-(1H,3H)-dione. This should be corrected as “For its novelty and great cytotoxic activity, a Turkish patent was applied (Application ID: 2013/139199) for 3-(2-methylthio10H-phenothiazine-10-yl-propyl)-pyrimidine-2,4-(1H,3H)-dione. The patent application has still been under evaluation”. The author apologizes for this mistake.
