#### S1: *Calophyllum pisiferum* research report

Detailed description: This is a screenshot of a SciFinder search report. The top navigation bar includes 'SciFinder - Research Topic Candidates', a search bar, and user information 'Welcome Arnon Chukae'. Below the header, a yellow banner says 'SciFinder® is here! Learn more about the power of n. Participating customers can access using their existing SciFinder credentials by clicking here: <https://scifinder-n.cas.org>'. The main content area shows search parameters: 'Research Topic "Calophyllum pisiferum"'. Under 'REFERENCES' (with a 'Select All' link), it says '0 of 1 Research Topic Candidates Selected'. There are two checkboxes: one for 'No References were found containing both of the concepts "Calophyllum" and "pisiferum".' (unchecked) and another for '1936 references were found containing either the concept "Calophyllum" or the concept "pisiferum".' (checked). A 'Get References' button is present. On the right, there's a 'References' section showing '0' for the first checkbox and '1936' for the second. A 'SciPlanner' tab is also visible.
